## CAN'T FIND YOUR LOCATION?

If you cannot find your location's time zone on the previous timetables please go to [HTTPS://TINYURL.COM/YX56DXFW](https://tinyurl.com/yx56dxfw) and enter the starting time stated in the programme (pp. 1 – 4) in the top left box and your location on the bottom right on the website as pictured below. The correct time for your time zone will then appear in the top right box!

The screenshot shows a web interface for a time zone converter. The title is "Der Zeitzone-Konverter" in blue. There are two main input areas. The left area has a text box containing "event time" in green, a dropdown menu showing "Göttingen" and "CEST", and a "12 24" toggle. The right area has a text box containing "06:43" in blue, a dropdown menu containing "your location" in green, and a "COPY LINK" button. At the bottom, there is a "TIME DATE" toggle and the text "We're now Dateful!".
