

EINLADUNG

Vorlesungsreihe über finnougriische Völker (in englischer Sprache)

Dr. Art Leete

Professor für Ethnologie an der Universität Tartu

Montag (22.01.2018) 18.00–19.00 Uhr in KWZ 2.738

The Finno-Ugric Discourse: Discovery, Understanding and Reconceptualization (general comparative characterization as it has been done through the history: what kind of people are the Finno-Ugrians, what kind of similarities have been noticed or assumed by scientists, travellers and writers)

Dienstag (23.01.2018) 8.15–9.45 Uhr in KWZ 3.601

The Finno-Ugric Connection: Material and Non-material Aspects (language, genetics, material culture, folklore, religion, personal characteristics, modern cooperation)

Mittwoch (24.01.2018) 12.15–13.45 Uhr in KWZ 0.604

Large Finno-Ugric Peoples (the bigger Finno-Ugric nations without statehood: Erzya, Moksha, Udmurt, Mari, Komi, Komi-Permyak and Karelian people)

Donnerstag (25.01.2018) 10.15–11.45 Uhr in KWZ 0.604

Small-numbered Finno-Ugric Groups (all the smaller Finno-Ugric groups, which are the common problems, which are the main differences between the groups)

Alle Interessenten sind herzlich willkommen.
